"The cross of Christ became alive to me once again. My prayer life and Bible study, sadly, had become routine with no real intimacy with my Lord as I had once known. Thankfully, the Lord heard my cry and warmed my cold heart once again."
–Regenia (Just Give Me Jesus - Detroit)

"God answered questions I didn't know I had and revived my heart to once again focus on Jesus and Him alone. I have followed Him for over 30 years but have felt a nagging emptiness that I now believe can be filled as I once again turn my eyes upon Jesus. Thank you for the simple message of Jesus."
– Loree (Just Give Me Jesus - Detroit)

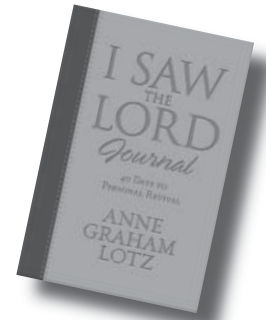

I have been in a Bible preaching church for about 6 years now. We have awesome ministries, Bible studies...anything you could ask for but I have never been taught how to study the Bible and it has been a stronghold in my life!"
–Tami (Just Give Me Jesus - Detroit)

"Through this study God convicted me of beginning a quiet time of prayer, Bible reading, and Bible study. Within a few weeks, something happened - everything changed in my life, even though nothing had changed. The tremendous joy, peace, and contentment filled my life. You see, I got the focus off of me and on Jesus and He changed my life! Jesus changed my heart . . . my life! I am serving the Lord and I am a new person and so in love with God! "

– Connie (via email, after studying The Vision of His Glory.)

"The approach you gave to us on how to study the scripture and listen for our Shepherd's voice, has helped me immensely. My personal devotions have taken on a whole new dimension. With God in complete control of my life, and a moment by moment awareness of the Holy Spirit within, I will claim I John 2:6 . . . 'Whoever claims to live in Him must walk as Jesus did.'"

– Lynn (A Passionate Pursuit - Dallas, Texas)

"The Lord has drawn near in the early hours through His Word, using your method and it has been a precious blessing. He has opened up new dimensions in prayer, encouraging me to claim His promises, and revealed familiar stories in a whole new light." – Heather (Just Give Me Jesus - Cardiff, Wales)
