Newsletter of Anne Graham Lotz

20th Anniversary Issue 1988-2008

“All the angels shouted for joy . . .” -- Job 38:7

When God laid the foundations of the earth,
hung the stars in place,
set the planets in their orbits,
halted the proud waves on the shore,
wrapped the sea in clouds of mist,
and taught the dawn to take the earth by its edges
. . . all of the angels shouted for joy at the magnificent
display of God’s glory and power in Creation!

Although none know the date of the beginning of everything, we at AnGeL Ministries do know the date of our beginning . . . June 2, 1988! And we are shouting for joy over the display of God’s power . . . and grace . . . and goodness . . . and faithfulness . . . the display of His glory wrapped up in His character over the past twenty years of our existence.

When the Israelites were victorious over the Philistines, Samuel took a stone and set it up as a remembrance of what God had done. He named it Ebenezer, saying, *Thus far has the Lord helped us.*¹ Please join us as we raise our Ebenezer also, shouting for joy for all that God has helped us to do in His name and for His glory . . .

**REJOICING OVER ABUNDANT FRUIT FOLLOWING
THIRTY JUST GIVE ME JESUS REVIVALS REACHING
MORE THAN 600,000 PEOPLE IN THE USA
AND AROUND THE WORLD . . .**

“I have had a personal relationship with Jesus for 32 years and I don’t recall ever having such a clear revelation of Who He is as I did on Friday night of the revival.” – M. A., Fargo

“The emphasis on prayer was/is needed for my life. Christ gives me victory over being bi-polar; having been just diagnosed with diabetes, having a difficult family life. . . My focus is on Christ and what He can do. Praise God for this focus . . . just give me Jesus!” – C.J., Seattle

“I came in from the spiritual desert and recommitted my life to the Lord Jesus Christ.” –Anonymous, Fargo

“All I know is . . . without Jesus . . . I AM NOTHING! And I found out that the secret of true happiness is JESUS! God is Great! And He loves me dearly . . . that’s why I am so happy in my life now and forever.” – R.V., Manila

“I learned so much about myself and about Jesus . . . how His love covers me as an individual person. He doesn’t just think of me like He thinks of everyone else. He knows my name and He sees my face. The battle is still raging. My life is still in turmoil, but I am holding on to Jesus. I am acknowledging the rumblings, but I am focused on the Cross (and) I know that if Christ could do that much with a little bread and fish, He can do miracles with my life too.” – S. F, Seattle

“I went with a hungry heart and came away filled to “overflowing.” The cross of Christ became alive to me once again. My prayer life and Bible study, sadly, had become routine with no real intimacy with my Lord . . . Thankfully, the Lord heard my cry and warmed my cold heart once again.” – R., Detroit

“It really gave me a fresh new start. I have been a Christian for over 24 years and had the idol of TV in my life that I could not in my own strength shake. It was consuming my life and I am happy to report since your revival I have only watched one movie. The best part is I don’t even miss it . . . my life is so full of JESUS and all His wonderful people. I have been in the Word daily and talk to Him every morning. It is so WONDERFUL!!!” – H. A., Seattle

“I have been a Christian for over 50 years. I taught Sunday School, VBS, Bible studies. Your conference was just what I needed to refocus my life – too busy in retirement doing good things for the Lord – too busy to spend the time with Him. I was losing my steam, spinning my wheels . . . Thank you for a fresh touch from Him.” – S. M., Detroit

“For me it was the most uplifting and gentle large meeting that I have been to . . . a time to really settle into the presence of the Lord Jesus Christ.” – R. S., London

“Through your (revival), I got a new revelation of Who Jesus is and what I mean to Him . . . No one had ever taught me how to read my Bible before. I have been practicing your technique and have been amazed at the results. God’s Living Word has come alive for me personally! What once was a chore has become an exciting time of personal communication between myself and my Heavenly Father. I cannot get enough of Him or His words!” – K. U., Chicago

“Since the (revival), I have attended church regularly and I know that God loves me. I am actually beginning to love myself. That is the best feeling in the world. . . . I was stained with crimson but now I am as white as snow.” – R. G., Charlotte

“I was asked to lead the Revelation series after the revival . . . I am now starting the series for the 16th time. People are getting it!”

– L. P., Detroit

“Now, one month after Just Give Me Jesus, I am intensively working in the area of the follow-up Bible study . . . many

What a thrilling privilege to “just give them Jesus”...Savior, Lord, and King! As I have “hidden” behind the Cross, hundreds of thousands of women have poured into arenas all over the world and received a fresh touch from Heaven.

sisters are waiting anxiously to make the Bible studies. We edited a video (from the revival) that can be used in the follow-up. Over 52 cities (without Asuncion) and over 60 denominations have registered. We have already distributed over 3,000 Bible studies and are printing a second time.”

– A. N., Paraguay

REJOICING OVER MORE THAN 50,000 WOMEN WHO PURSUED JESUS THROUGH OUR WEEKEND BREAKAWAYS, LEARNING TO READ, STUDY AND TEACH GOD’S WORD . . .

“This last week, I spent sharing your message through the internet with all the members connected via email at our church. You told us not to go to bed Sunday until we had unloaded on at least one person. Well, I unloaded on almost 100!”

– S.M., Filling Up To Overflow - The Cove

“You have paved the way for the rest of us to spread the Gospel simply and succinctly . . .

– B. V., Pursuing MORE of Jesus – Lexington

MANILA, PHILIPPINES

“After The Cove weekend and your Bible teaching, I decided I would try to view my circumstances differently. In short, God has begun some great changes in my heart-contentment with myself and what I have, great love for Him in a way I have never felt before, a hunger for God’s Word and a true desire to seek and do His will for my life.” – L. M., Filling Up To Overflow – The Cove

“I left knowing that His calling is what justifies me and that He makes me worthy to speak His Words.”

– K. M., A Passionate Pursuit - San Diego

“I have received a greater boldness from the Holy Spirit to share the Gospel and not back down. . . I have really learned that it is Jesus that they are rejecting, not me. . . This has been a powerful revelation which enables me to witness and teach with greater confidence.”

– J. M., A Passionate Pursuit – Cleveland

“At the conference, God did speak personally to my heart and it changed my life forever. . . There on my 56th birthday, I couldn’t wait for you to finish your invitation so I could STAND UP AND SAY ‘YES’ to the teaching of God’s Word!”

– D.F., Filling Up To Overflow - The Cove

“For the first time in my life I feel free to serve God and want to respond to the long-burning desire in my heart to be a disciple for Him.

– A.N., Filling Up To Overflow - The Cove

“It was a privilege . . . a blessing . . . a challenge to have this knowledge . . .surely ‘to whom much is given, much is required’ applies to me now more than ever.”

– L.K., A Passionate Pursuit - Cleveland

REJOICING OVER COUNTLESS LIVES FOREVER CHANGED THROUGH THE RESOURCES WE OFFER AND THE WAY GOD PLACES THEM IN JUST THE RIGHT HANDS . . .

“I am currently an inmate . . . I received your (Why?) pamphlet from the chaplain and it really spoke to me! I have always had trouble with ‘Why?’ and the way things happen. However, your booklet along with a lot of Scripture has built up my faith!”

– W.O., Florida

W. O. returned the tract saying he had accepted Christ.

“The video you recorded with your mother (A Conversation with Ruth Bell Graham) was so encouraging – every aspect! The part about letting kids go when they become teens really ministered to me.”

– T.H., Wisconsin

“(Heaven: My Father’s House) has given me so much peace and joy and understanding in words that my grieving mind and heart could not express . . . my real belief that I know Jesus and through Him and His blood on Calvary, I am going to my Father’s House.”

– M.A., via email

“Your mom’s poem at the beginning of (Why?) put everything in perspective for me on that horrible, interminable morning. Where else could I turn, but to my Lord? At the foot of the cross, all my confusion and ‘whys?’ could be laid down. I didn’t need answers: I just needed Jesus . . .

– B. W., via email

"I wanted to write to you and thank you for your book I Saw The LORD. God has used (it) to stir a hunger in my heart for personal revival and moments alone with God and His Word.

– S. M., Tennessee

"This morning I wrote in my study journal, 'I have learned to hear God's voice.' This seems an amazing outcome of your study from someone like me. I have been a Christian for 36 years and I have done numerous Bible studies. However, I quite often questioned if I was really hearing God's voice. The Vision of His Glory study has helped me realize God speaks through the Bible as we study."

– J. B., Washington

"(God's Story) has been a book from God to my heart."

– W. M., Capetown, South Africa

"For the past month, we have shown your I Saw The LORD group discussion DVD as our ministry time in chapel. I must admit I was a bit hesitant to show the DVD . . . a room full of ministers can be hard to impress especially when the presentation is on a video. But . . . your anointed word has penetrated their hearts and is sparking a renewed passion among our leaders and staff.

LONDON, UNITED KINGDOM

"I was touched by your program (on TV) last night. I am very ill and dying of AIDS. Does Jesus love me like anyone else? I have made a lot of bad decisions . . . will He forgive me for having more than one abortion? I don't have much time left here on this earth. . . I feel like I have been too bad for God to love me.

– Julie, via email

One of our staff members called Julie to pray with her, assuring her that God would forgive her if she asked Him. We received a note from a friend to tell us Julie did accept Christ just days before she died . . . and that "she was at peace for the first time in her life before she left" . . . for her Heavenly home.

When I was saying this prayer (on your website) I was touched . . . I cried. I'm a sinner . . . I felt so shy to God . . . so small . . . but I know whatever I did . . . or do in the future, He will forgive me still. I want to know God more . . . I want to know His words . . . I want Him in my life . . . Really."

– S. B., Philippines

"Just wanted to let you know that I have asked God to forgive me the way you suggested in the prayer on your website. The words that touched me the most were 'hardness of my heart, the meanness of my thoughts, the coldness of my spirit and the sinfulness of my life.' On the outside I am a good girl, but only God knows how it looks on the inside."

– A.V., Holland

"Your Bible study on Elijah's burnout . . . smacked me right between

KIEV, UKRAINE

"As I did the (Vision of His Glory) study each week, the 'What does the Scripture mean to me?' section always blew me away and convicted me to no end. The whole study found me without a place to hide. God's Word was beginning to tear away at the wall I had built around myself and my heart."

– E. G., Washington

"I saw the Lord!" I'm no longer depressed and I no longer see my husband as a burden . . .

– T.M., Alabama

We later received a note saying her husband had accepted Christ!

"Thank you for the Daily Light for Daily Living broadcasts. These very insightful messages help me with my understanding of this broken road I now travel, and have been for some time.

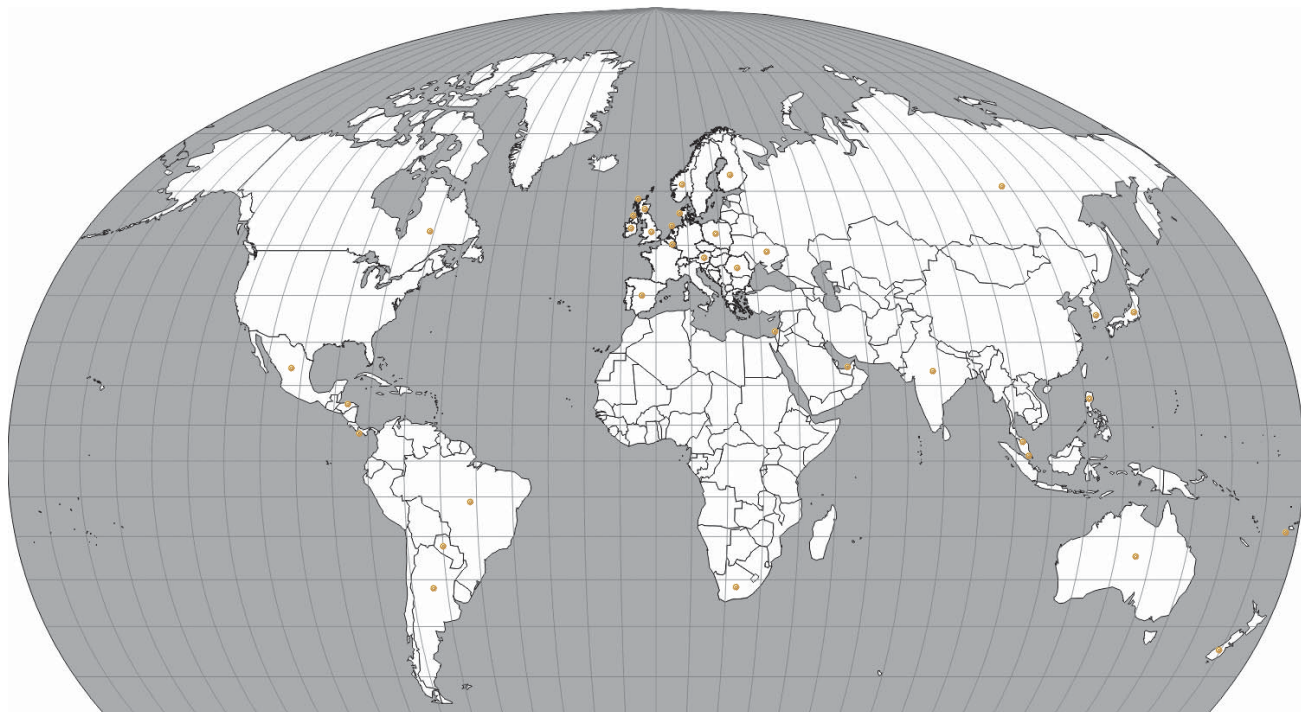

– S. R., via email

OSLO, NORWAY

God called me out of my weekly Bible classes in 1988 with these words . . .

“Now get up and stand on your feet. I have appeared to you to appoint you as a servant and as a witness of what you have seen of me and what I will show you. I will rescue you from your own people and from the Gentiles. I am sending you to them to open their eyes and turn them from darkness to light, and from the power of Satan to God, so that they may receive forgiveness of sins and a place among those who are sanctified by faith in me.” – Acts 26:15-18 . . . *He has indeed sent me out . . . all over the world!*

REJOICING OVER *I SAW THE LORD*

CHURCH-WIDE EVENTS . . . LEADING TO REPENTANCE
AND REVIVAL IN THE HEARTS OF GOD'S PEOPLE

“It truly touched me when you opened up the fact that God didn't make Isaiah perfect but He made him available (I Saw The LORD). I have always tried to be perfect and am so tired...Thank you for voicing God's Word to remind me that God sees me as a diamond even when I feel like coal.”

“Today I repented of pornography and abortions I encouraged (others) to get. “

“I'm asking God to show me the ministry He has for me.”

“I'm convicted to be more concerned of what Jesus thinks of me instead of what others think.”

“I forgive my father and uncle for their abuse of me.”

“I will stop my adulterous relationship.”

“God has placed on my heart to mend relationships in my life. . . to let go of such bitterness and anger and the prayerlessness that has resulted.”

“I recently got my 'ugly brown package' and yet now I see the blessing that also came with it.”

“Thank you Lord for the 'wake-up' call I heard from you today.”

“I've decided to keep my marriage together.” “

“I pray I won't point my finger and say 'Woe are they' but 'Woe is me.'”

“God has challenged me to stop being judgmental and prideful and to see people as He sees them.”

One way I have obeyed God's call and gone into all the world is through the media. This past Christmas on Good Morning America I had the joy of sharing with the world what the birth of Jesus means to me!

Bible Study - The Stones of Remembrance

After wandering in the wilderness for forty years, the Israelites experienced the power of God to roll back the waters of the Jordan River, enabling them to cross over and take possession of the Promised Land. They then built a memorial of stones as a witness of what God had done for them. Read Joshua 3 and 4.

I. THE LITERAL STONES 4:1-9

On February 2nd, the Arena Coliseum was almost the site of a bloody cock fight! Instead, it was filled to overflowing with men and women who were saved, then raised their white flags of surrender to Jesus.

**What were the stones of remembrance and where did they come from? 4:2-3,5,8

**Why did God say they were to be collected and carried to the river bank? 4:6-7

**What literal objects could you place in your home or office that would serve as reminders to you of your personal experiences of God's power?

**What are some other practical ways you can remember what God has done for you in order to cultivate and maintain an attitude of gratitude?

**From the following passages, describe other visuals God gave His people and what each represented: Gen. 9:12-16; Ex. 12:1-13; Matt. 26:26-29; John 20:24-29

II. THE LIVING STONES 4:10-18

**What was necessary before the Israelites could experience God's power? 4:10

**What was the living proof of God's power? 4:11

**What do you think the crossing of the Jordan symbolizes in the Christian life?

**Did the Israelites believe their experience of God's power meant their lives would be easy from then on? Give a verse to prove your point.

**What is significant in v.18? How would this affect the Israelites?

**Who are the living stones today? I Pet.2:4-5; Eph.2:19-22
