Do you love Jesus?

Do you remember a time when you did?

Do you remember when the thought of Jesus provoked an emotional, fervent response in your heart?

Do you remember how you plunged into service, thrilled to think you could do something for the Savior Who had done so much for you?

But as time has passed, has your busyness become weariness? And has the fire in your heart flickered and died down, even as you have hurried to serve Him in a multitude of ways?

Then it's time to re-ignite the fire once again!

In olden days, fire was not instantly available by striking a match or turning a knob. Instead, each village maintained a constant fire that burned in the central plaza. Those whose home fires had died out carefully carried a burning brand from the central

fire back to their fireplaces or stoves to rekindle the flame. Each village hired a man to keep the fire burning at all times, and if he let the fire go out, the mistake or neglect could cost him his life.

The Apostle Paul tells us in 2 Timothy 1:6 that we are responsible to be the firekeepers of our hearts... to keep the fire of passionate love burning for Jesus.

Join us for *Just Give Me Jesus*, a revival designed to fan into flame your love for Him.

In this life-changing, two-day revival, you will be stirred in worship by Fernando Ortega, you will be inspired in prayer with Jill Briscoe, and you will hear God speaking to you personally and relevantly as I proclaim His Word and lead you in an inductive study of the Scriptures.

My prayer is that each of us would receive a fresh touch from heaven... a fresh encounter with the living Lord Jesus Christ, rekindling the fire of love for Him in our hearts, as together we ask God to *Just Give Me Jesus!*
